1. Acknowledgement to Country

Shellharbour City Council acknowledges the Traditional Owners and Custodians of the Land on which we are meeting and pays its respects to Elders past, present and emerging.

2. Apologies / Leave of Absence

3. Confirmation of Minutes

3.1 Disability Access and Inclusion Advisory Committee Meeting 10 June 2020

That the Minutes of the Disability Access and Inclusion Advisory Committee Meeting held on 10 June 2020 as circulated be taken as read and confirmed as a correct record of proceedings.

4. Disclosure of Interest

Presentations:

1. Mary Street North Carpark, Shellharbour Village

Presented by Arvin De Mesa
Project Delivery Officer, Shellharbour City Council

5. Staff Reports

5.1 Outdoor Exercise Equipment at McDonald Park, Albion Park Rail (11491027)

The purpose of this report and accompanying presentation is to inform the Disability Access and Inclusion Advisory Committee (DAIAC) of the proposed outdoor exercise equipment at McDonald Park, Albion Park Rail and seek guidance on types of equipment and any other access and inclusion elements that should be considered.

As an addition to the McDonald Park masterplan, \$40,000 of Section 94 funds will be allocated to outdoor exercise equipment to complement the other planned facilities at the site, providing further opportunities for physical activity, particularly for adults. The installation of outdoor exercise equipment links to the following strategy within the Community Strategic Plan.

1.2.1 Provide access to services and facilities where people can live, learn and play
This part of the project will be carried out after Milestone 2 has been completed, which includes the ninja warrior course and learn to ride assets. It is anticipated the outdoor exercise equipment would be installed by the end of the year, weather permitting.

While this will not be a fully inclusive outdoor exercise station, it is proposed that some of the pieces of equipment would be. We are seeking guidance on the most suitable inclusive equipment pieces as well as any ways to further enhance access to the equipment.

Recommendation:

That the DAIAC provide input in relation to the types of outdoor exercise equipment to be installed at McDonald Park as well as any other considerations to enhance access and inclusion.

Report prepared by: Lauren Peters, Community Planning Officer

Responsible Manager: Bonnie Hittmann, Manager Community Life

Date of Meeting: 9 September 2020

Page 4

Attachment 1 - Powerpoint presentation – “Outdoor Exercise Equipment at McDonald Park”

Outdoor Exercise Equipment at McDonald Park

Disability Access and Inclusion Advisory Committee
9 September 2020

Purpose of the Presentation

- Provide information on the proposed outdoor exercise equipment.
- Seek guidance on equipment types and other design considerations.

Background

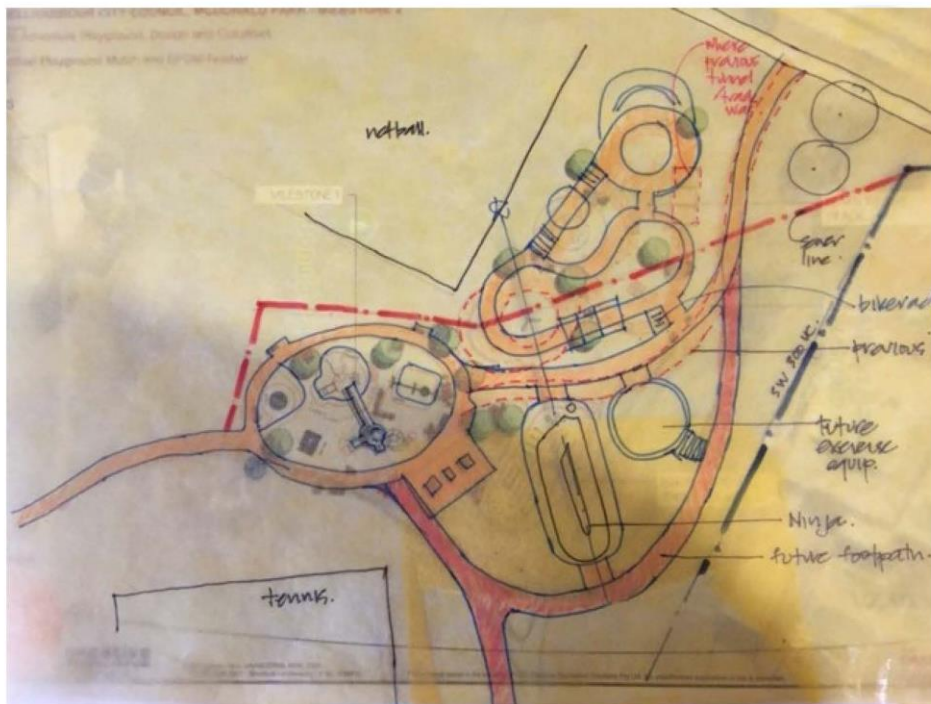

- Important for public health and disease prevention
- Only 25% of people 65 years and over undertake the recommended level of physical activity (Levinger et al, 2020)
- Active environments encourages engagement in physical activity
- Links to relevant Council plans and strategies

Background (cont.)

- Council has S94 funds for the installation on outdoor exercise equipment in City West during 2020/2021 financial year.
- McDonald Park provides the opportunity to provide physical activity opportunities for adults.

McDonald Park Masterplan

Types of Equipment

- Physical activity types to be targeted by exercise equipment:
 - Day to day movements
 - Functional strength
 - Joint movement and flexibility
 - Balance
 - Aerobic fitness
- Include inclusive and adaptable pieces

Inclusive Equipment Options

Other Equipment Options - Cardio

Elliptical Trainer

Aerobic Cycle

Other Equipment Options - Strength

Chest Press

Pull Downs

Leg Press

Other Equipment Options - Fitness

Multi Bench

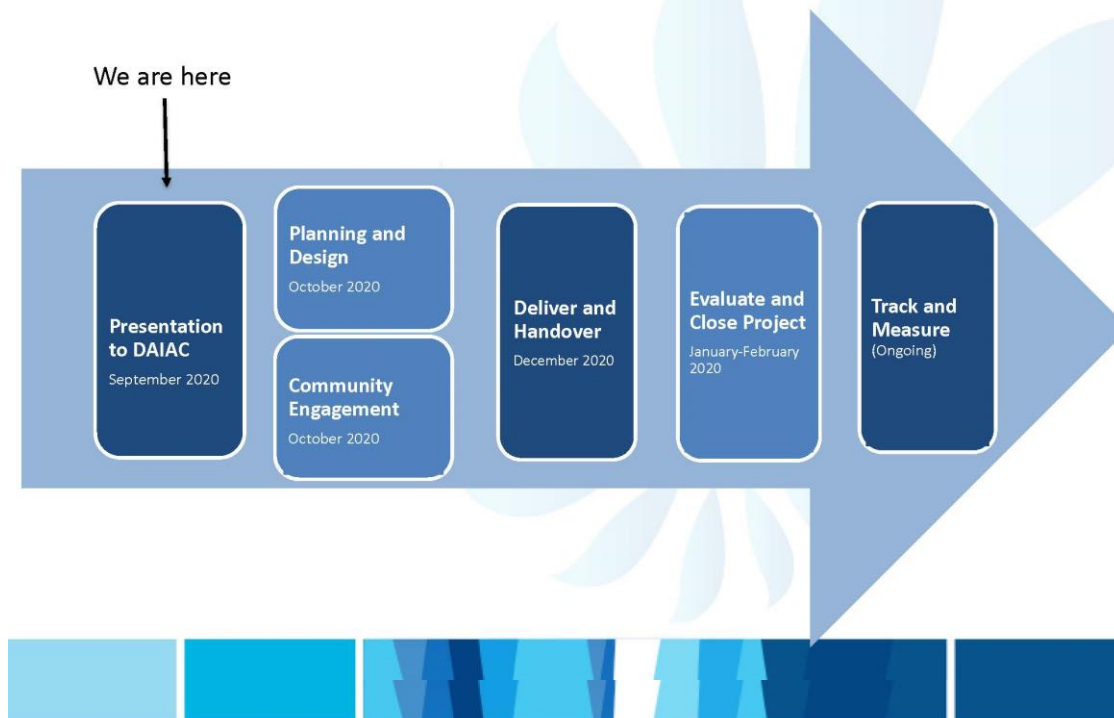

Step Ups

Other Considerations

- Connections to equipment and other facilities
- Close to parking, toilets, seating and water facilities
- Co-location near children's playgrounds
- Wayfinding signage
- Non-slip and compliant surface
- Clear instructions and signage on equipment
- Organised programs/activities demonstrating usage

Actions and Timeframes

Questions?

5.2 International Day of People with Disability (11491025)

The purpose of this report is to provide information on activities planned to celebrate International Day of People with Disability (IDPwD) in 2020.

International Day of People with Disability (IDPwD) falls on the 3rd of December each year, with the aim of increasing public awareness, understanding and acceptance of people with disability and celebrate their achievements and contributions.

The 2020 IDPwD theme 'Not all Disabilities are Visible' also focuses on spreading awareness and understanding of disabilities that are not immediately apparent, such as mental illness, chronic pain or fatigue, sight or hearing impairments, diabetes, brain injuries, neurological disorders, learning differences and cognitive dysfunctions, among others.

For over 20 years Wollongong and Shellharbour Councils have collaborated and worked with services across the Illawarra (including the Shoalhaven) to provide a range of activities to promote the Day. The activities are promoted in the 'Celebration of Ability Calendar' that is launched late October/early November each year.

Due to the public gathering restrictions being implemented as a result of COVID-19, this year's celebrations and activities have been amended.

In lieu of a hard copy calendar being developed and launched at a face-to-face event, an e-calendar will now be produced and launched on-line.

Additionally, Shellharbour and Wollongong Councils will be working with residents to produce a series of short films for social media showcasing the lived experiences of people with disability and displayed at various community locations during the Celebration of Ability period.

Involvement in IDPwD activities meets the following Focus Areas in Council's Disability Access and Inclusion Plan:

- *FOCUS AREA 1 Developing positive community attitudes and behaviours*

Recommendation:

That the DAIAC receive and note the report International Day of People with Disability.

Report prepared by: Narelle Williams, Community Development Officer
– Access and Participation

Responsible Manager: Bonnie Hittmann, Manager Community Life

Date of Meeting: 9 September 2020

5.3 Mobility Maps Update (11491026)

The purpose of this report is to provide information on 'Mobility Maps' and 'Accessible Places' and to seek feedback to inform a possible Shellharbour Mobility Maps update.

A Mobility Map is designed to assist in the navigation and identification of accessible features within a precinct area to assist people plan accessible routes and safely navigate the area.

Map information includes details on access and facilities for people with limited mobility such as:

- street gradients
- the location of accessible toilets
- accessible car parking spaces
- pathway gradients
- location of kerb ramps
- key buildings and services.

Transport information for rail stations, bus stops and bus routes may also feature. Supporting information may include images and descriptions of places of interest within the area. Alternative formats of this content are available upon request.

Shellharbour City Council produced a series of Mobility Maps in 2004 – copies of these maps are available at www.mobilitymaps.com.au. The Mobility Maps website was put together as a centralised place to promote maps available across Australia.

Google has also launched a feature in Google Maps called "Accessible Places". When enabled, users see a wheelchair icon prominently displayed to denote if a location has an accessible entrance. In addition to details about entrances, the maps program offers information about whether a place has accessible seating, restrooms or parking. A short video is available at <https://www.blog.google/products/maps/wheelchair-accessible-places-Google-Maps>

Google relies on community contributions from Local Guides who provide destination reviews – ramps, elevators, toilets etc and photos. Business owners are also able to add this data.

Council is currently seeking feedback from the Committee and Community to determine how they access information on the accessibility of destinations and whether there is value in updating Council's Mobility Maps.

Providing information on accessible destinations meets the following Focus Areas in Council's Disability Access and Inclusion Plan:

- *FOCUS AREA 1 Developing positive community attitudes and behaviours*
- *FOCUS AREA 2 Creating liveable communities*

- *FOCUS AREA 4 Improving access to services through better systems and practices*

Recommendation:

That the DAIAC receive and note the report Mobility Maps Update and provide feedback on a possible Shellharbour Mobility Maps update.

5.4 Asset Planning Update on Disability Access and Inclusion Projects and Item for Information

TO: Disability Access and Inclusion Advisory Committee

SUBJECT: Asset Planning Update on Disability Access and Inclusion Projects

DATE: 9 September 2020

AUTHOR: Senior Asset Engineer – Matthew Harvey

MEMO

2019/20 Disability Access and Inclusion Program

The DAIAC resolved to deliver the following 19 projects through the 2019/20 Disability Access and Inclusion Program. Table 1 outlines the completion status of the works program:

Work Type	Project Number	Project	Completed?
Bus Stops	B40	94 Princes Hwy, Albion Park Rail	Yes
Bus Stops	B41	212 Princes Hwy, Albion Park Rail	Yes
Bus Stops	B42	141 Princes Hwy, Albion Park Rail	Yes
Bus Stops	B43	418 Princes Hwy, Albion Park Rail	Yes
Bus Stops	B44	1 Central Ave, Oak Flats	Yes
Bus Stops	B45	54 Wentworth St, Oak Flats	Yes
Bus Stops	B46	6 New Lake Entrance Rd, Shellharbour City Centre	Yes
Bus Stops	B47	Wattle Rd Lake Entrance Rd, Shellharbour City Centre	Yes
Bus Stops	B48	172 Shellharbour Rd, Warilla	Yes
Bus Stops	B49	Shellharbour Workers Club Wattle Rd, Shellharbour	Yes
Bus Stops	B50	Little Park Shellharbour Rd, Shellharbour	Yes
Bus Shelters FINAL EXPENDITURE			\$21,580.21
Carpark	O62	Little Park Addison St, Shellharbour	Yes
Carpark	O63	Shellharbour North Beach Junction Rd, Shellharbour	Yes
Carpark	O66	Central Park Central Ave, Oak Flats	Yes
Carpark	O67	Oak Flats Pool Hope St, Oak Flats	Yes
Carpark	O70	Shellharbour Foreshore, Shellharbour	Yes
Carpark	O71	Albion Park Pool & Library, Albion Park	Yes
Carpark	O72	Mood Park, Albion Park	No, design only
Carpark FINAL EXPENDITURE			\$41,713.48
Pathway	O68	Shellharbour North Beach Junction Rd, Shellharbour	Yes
Pathway FINAL EXPENDITURE			\$9,738.38
GRAND TOTAL FINAL EXPENDITURE			\$73,032.07

Table 1 - 2019/20 Disability Access and Inclusion Program

See Attachment 1 for a further breakdown of the delivered 2019/20 DAIAC Program.

Examples of completed works can be seen in Figure 1 (Shellharbour North Beach) and Figure 2 (B44 Bus Stop in Oak Flats).

2020/21 Disability Access and Inclusion Program

At DAIAC Meeting 19 February 2020, the committee resolved that the 2020/21 Disability Access & Inclusion Program would consist of the following 10 projects, however due to design delays the Mood Park carpark construction has fallen into the 2020/21 delivery program;

Work Type	Project Number	Project	Cost Estimate
Bus Stops	BS01	40 Lake Entrance Rd, Warilla	\$2,500
Bus Stops	BS02	128 Shellharbour Rd, Warilla	\$2,500
Bus Stops	BS03	Howard Fowles Oval - Shellharbour Rd, Warilla	\$5,000
Bus Shelters TOTAL			\$10,000
Carpark	CP02	Reddall Reserve (south) - Reddall Pde, Lake Illawarra	\$0*
Carpark	CP03	Reddall Reserve (Ocean St) - Reddall Pde, Lake Illawarra	\$0*
Carpark	CP04	Reddall Reserve (Kiosk) - Reddall Pde, Lake Illawarra	\$7,500
Carpark	CP05	Myimbarr Sportsfields - Wattle Rd, Shellharbour	\$13,500
Carpark	CP06	Terry Street Shops - Terry St, Albion Park	\$1,500
Carpark	CP13	Mood Park, Albion Park	\$10,000
Carpark TOTAL			\$32,500
Pathway	FP11	Shellharbour Rd, Warilla	\$20,000
Pathway	FP12	Shellharbour Rd, Warilla	\$5,000
Pathway	FP21	Terry St Shops, Albion Park	\$10,000
Pathway	FP22	Terry St, Albion Park	\$2,500
Pathway TOTAL			\$37,500
GRAND TOTAL			\$80,000

Table 2 - 2020/21 DAIAC Program

* Denotes those projects to be delivered if additional funding is secured for the DAIAC.

It is proposed that due to the Mood Park carpark falling into the 2020/21 delivery program, that an equivalent of \$10,000 worth of other projects are deferred to 2021/22 delivery program, or kept as an 'asterisk' project to be considered for delivery if addition funding is secured for the DAIAC.

See Attachment 2 for a further breakdown of the 2020/21 DAIAC Program.

Attachment 1 – 2019/20 Disability Access and Inclusion Program

DAIAC Project Ref.	DAIAC Approval Date	Project Asset Class	Brief Scope of Works	Status
B40	20/02/2019	Bus Stops	Location - 94 Princes Hwy, Albion Park Rail Scope: Tactiles	Completed
B41	20/02/2019	Bus Stops	Location - 212 Princes Hwy, Albion Park Rail Scope: Tactiles	Completed
B42	20/02/2019	Bus Stops	Location - 141 Princes Hwy, Albion Park Rail Scope: Tactiles	Completed
B43	20/02/2019	Bus Stops	Location - 418 Princes Hwy, Albion Park Rail Scope: Tactiles	Completed
B44	20/02/2019	Bus Stops	Location - 1 Central Ave, Oak Flats Scope: Tactiles & increase of slab	Completed
B45	20/02/2019	Bus Stops	Location - 54 Wentworth St, Oak Flats Scope: Tactiles	Completed
B46	20/02/2019	Bus Stops	Location - 6 New Lake Entrance Rd, Shellharbour City Centre Scope: Tactiles & adjustment of bench	Completed
B47	20/02/2019	Bus Stops	Location - Wattle Rd Lake Entrance Rd, Shellharbour City Centre Scope: Tactiles	Completed
B48	20/02/2019	Bus Stops	Location - 172 Shellharbour Rd, Warilla Scope: Tactiles, minor relocation of shelter	Completed
B49	20/02/2019	Bus Stops	Location - Shellharbour Workers Club Wattle Rd, Shellharbour Scope: Tactiles	Completed

DAIAC Project Ref.	DAIAC Approval Date	Project Asset Class	Brief Scope of Works	Status
B50	20/02/2019	Bus Stops	Location - Little Park Shellharbour Rd, Shellharbour Scope: Replacement of seat and adjustment of slab	Completed
