Background

Matter Raised	Current Status
Door to playground at the Civic Centre is hard to open and blocked by a parking space	Under investigation, update to be provided
Detailed Design, Reddall Reserve East Amenities building <ol style="list-style-type: none">1. Consider using both right and left opening doors to toilets and change rooms2. Ensure floor levels flow towards facilities for better wheelchair access, this includes location of the floor waste outlet3. Ensure tiling is non-slip on all floors4. Consider using an area of change room space for a parents room to include a toddler toilet and permanent change table5. Ensure all access is level, including external access from car park	Update provided by PDO: <ul style="list-style-type: none">• Items 1,2 & 3 have been considered and implemented into the design• Item 4 - not considered for this building. The Reddall west amenities building, adjacent to the kiosk, will contain a larger adult change area.• Item 5 - all access is compliant with AS standards for accessibility
An update on the ramps at Oak Flats was requested and will be included in the next committee meeting	Under investigation.

Investigate non-confirming kerb ramps in Oak Flats around Central Avenue and Wentworth Street	Council will be investigating non-confirming kerb ramps in this area as part of the Kerb Ramp Renewal Program. Identified ramps will be added to the list of works and completed according to priority.
Footpaths around Warilla Primary and Peterborough schools are needed, particularly along William Avenue	The footpaths will be considered in future capital works programs. Footpath works are prioritised according to the Active Transport Strategy.
Kerb ramps at the intersection of Ulster and Leawarra Avenues and Brookfield and Ulster Avenues	Kerb Ramp at Ulster and Leawarra Avenue will be done as part of the road safety upgrade project undertaken there in 2024-2025 financial year. Kerb Ramps at Brookfield and Ulster Avenues would require new footpath connections. These have been added to the DAIAC unfunded project list in the presentation for 18 April.
Safety concerns at the pedestrian crossing at the intersection of Terry Street and Tongarra Road, Albion Park from McDonalds to the hotel.	The original request has been identified and forwarded to the appropriate area for investigation. Further information to be provided in due course.
Council to consider the inclusion of an adult change facility with a hoist in the Shell Cove Library building or within the Marina area.	Under investigation.
