6. Reports

6.1 Draft Shellharbour Coastal Management Program Scoping Study (11974988)

Chris Adamantidis from Advisian provided a presentation on the Draft CMP Scoping Study. A small amendment was made to the recommendation regarding the next meeting being March 2023, not February.

Kristy queried how Council deals with Sea Level Rise Projections and whether a separate study/policy would need to be done to guide how the CMP is to respond in relation to Planning for Sea Level Rise and the projections to be used.

SHELLHARBOUR CITY COUNCIL

Coastal Management Advisory Committee – 30 November 2022

Kristy provided feedback on the proposed timeframe for developing the CMP and suggested that unless budget is already committed the timeframe should be reviewed. It was agreed that Council will seek to submit a grant application for the future stages of the study soon in order to avoid delays in developing and implementing the program.

Committee Recommendation: Kristy Blackburn / Cr Lou Stefanovski

That the Coastal Management Advisory Committee receive the Draft Shellharbour Coastal Management Program Scoping Study and provide feedback on the study to Council's Senior Coastal Programs Coordinator before 1 February 2023 in order for the draft study to be finalised and presented to the next committee meeting in March 2023.

6.2 Shellharbour Coast and Estuary Grants Projects Update (11975027)

A special thanks was provided for everyone involved in progressing these projects especially the Luv the Lake.

Committee Recommendation: Cr Lou Stefanovski / Cherie Sammut

That the Shellharbour Coastal Management Advisory Committee receive and note the Shellharbour Coast and Estuary Grants Projects Update report.

6.3 Capital Works Update
