The above **Committee Recommendation** will be endorsed at the next Coastal Management Advisory Committee Meeting.

### **6.2 Update on Draft Shellharbour Coastal Management Program Scoping Study (12024304)**

Group Manager Built and Natural Environment, Matthew Apolo spoke to this report.

That the Coastal Management Advisory Committee receive and note the update on Draft Shellharbour Coastal Management Program Scoping Study report.

The above **Committee Recommendation** will be endorsed at the next Coastal Management Advisory Committee Meeting.

### **6.3 Capital Works Update**

A verbal report was provided by Group Manager Built and Natural Environment, Matthew Apolo on the progress of the Sea Wall and other recent projects.

## **7. General Business**

There was some discussion around the Reddall Reserve Plan of Management sent to the Committee for comment. This will be included in the submissions and internal consultation on the project.

Danny Wiecek from Department of Planning, Industry and Environment gave an update on work with Frasers at Shell Cove.

Group Manager Built and Natural Environment, Matthew Apolo mentioned the Beach Watch Data following the rain and pollution potential. Also the signs at Shellharbour Harbour regarding the algae bloom that are currently up. The algae is not toxic and being monitored, swimming in the area should be avoided while the signs are up.

## 8. Next Meeting

21 June 2023 (These notes are expected to be endorsed and the previous minutes confirmed.)

**Meeting closed 4:50pm**
