1.2 Determination of anticipated number of Dwellings

- (a) For the purposes of this Schedule 4, the Anticipated Dwelling Yield with respect to a Residential Plan is to be determined by Council, acting reasonably, and having regard to the information provided by the Developer.
- (b) If the Council does not make a determination within 10 Business Days of receipt of the relevant information from the Developer, the Anticipated Dwelling Yield will be the number of Dwellings indicated in the information provided by the Developer referred to in paragraph (a).

2 Register of Allotments and Dwellings

Council may:

- (a) maintain a register of the number of Allotments for which it has issued a Subdivision Certificate in the CUDP; and/or
- (b) maintain a register of the number of Dwellings for which a first Occupation Certificate has been issued in the CUDP,

and may provide information from that register to the Developer for the purpose of the administration of this Planning Agreement within a reasonable time of a request being made by the Developer.

The Developer acknowledges and agrees that Council does not provide any warranty as to the accuracy of any information provided to the Developer under this clause 3 or that any such information will be provided within the time required by the Developer.

3 Increase in Contribution Amount

- (a) Any amount:
 - specified as a Contribution per Dwelling Amount in clause 4 of Schedule 4;
 - must be increased annually on the date of publication of the June quarterly CPI by the Commonwealth Statistician in accordance with the following formula:

$$A = B \times \frac{C}{D}$$

Where:

A is the indexed amount;

B is the monetary amount specified in this Deed and referred to above;

C is the most recent June quarter CPI published as at the date of calculation; and

D is the CPI published for the June 2014 quarter.

4 Payment of Contribution Amounts identified in clause 1 of Schedule 4

- (a) The Developer must pay the Contribution Amounts identified in clause 1.1 of this Schedule 4 in accordance with this clause 4 of Schedule 4.
- (b) For the purpose of this clause 4 of Schedule 4 a *Residential Plan* is a plan of subdivision with respect to the Development which when registered would create one or more Allotments, and may be compromised of a number of stages.
- (c) For the purpose of this clause 4 of Schedule 4, a CUDP Dwelling means a room, or suite of rooms, occupied or used, or so constructed or adapted, as to be capable of being occupied or used, as a separate domicile to be erected within the CUDP and is not

limited to a dwelling that is capable of being subject to a separate title and on-sold separately from other Allotments within the CUDP.

- (d) Prior to the issue of a Subdivision Certificate in respect of a Residential Plan, the Developer must pay:
- (i) any Contribution Amount due and payable under the Planning Agreement that has not been paid at that time; and
 - (ii) a Contribution Amount being the relevant cumulative "Contributions per CUDP Dwelling" for the Anticipated Dwelling Yield for the relevant Residential Plan as determined in accordance with the table set out below:

Number of CUDP Dwellings	Contribution per Dwelling
Where the relevant Dwelling is within the first 1,000 CUDP Dwellings (0-1,000 CUDP Dwellings)	\$3,310
Where the relevant Dwelling is within the 1,001 st CUDP Dwelling and the 2,000 th CUDP Dwelling (1,001 – 2,000 CUDP Dwellings)	\$3,710
Where the relevant Dwelling is within the 2,001 st CUDP Dwelling and the 3,000 th CUDP Dwelling (2,001 – 3,000 CUDP Dwellings)	\$4,110
Where the relevant Dwelling is within the 3,001 st CUDP Dwelling and the 4,000 th CUDP Dwelling (3,001 – 4,000 CUDP Dwellings)	\$4,510
Where the relevant Dwelling is the 4,001 st CUDP Dwelling or greater	\$4,810

- (e) If the Developer and Council agree (such agreement may not be unreasonably withheld or delayed) that there are Allotments within a Residential Plan which the Developer does not intend to transfer to an end user with respect to which it is unlikely that a Construction Certificate for those Dwellings identified will be issued within two years following the issue of a Subdivision Certificate (**Deferred Allotment**):
- (i) any such Deferred Allotment is not included in the Contribution Amount payable under clause 4 of Schedule 4 in relation to the relevant Residential Plan; and
 - (ii) the Developer will be required to pay a Contribution Amount being an amount calculated in accordance with clause 4 of this Schedule 4 for all Deferred Allotments permitted to be constructed in accordance with any Construction Certificate lodged with respect to that Deferred Allotment as determined in accordance with the table at clause 4(d).
- (f) The Developer must pay any Contribution Amount payable under clause 4(e)(ii) of this Schedule 4 prior to the issue of relevant Construction Certificate referred to in clause 4(e).
- (g) On the occurrence of each of the following events:
- (i) every six (6) months following the issue of the first subdivision certification in relation to the Land; and

- (ii) prior to the issue of a Subdivision Certificate that will create the final Allotment within the Development; and
- (iii) prior to the issue of a Construction Certificate for the Final Deferred Allotment, the following must occur:
 - (iv) the Developer must provide the Council with a report stating (to the best of the Developer's knowledge) the number of Dwellings on the Land that have been completed and occupied at the time of the relevant report; and
 - (v) if the number of Dwellings on the Land that have been completed and occupied at the relevant time exceeds the number of Dwellings for which the Developer has paid a Contribution Amount, then the Developer must pay Council in accordance with the clause 4(d) of this Schedule 4 the applicable cumulative "Contribution per Dwelling" amount for the number of Dwellings required to ensure that Council has received a Contribution Amount in accordance with clause 4(c) of this Schedule 4 for all Dwellings with respect to which the Developer is required to pay such Contribution Amount in accordance with this Planning Agreement for each Dwelling on the Land that has been completed at the relevant time.
- (h) For the avoidance of doubt, compliance with this **clause 4** of this **Schedule 4** will satisfy the Developer's obligations to make all Development Contributions identified in clause 1.1 of **Schedule 4** with respect to the first Occupancy Certificate for any allotment created on the Land, and not for any further Occupancy Certificates that may be issued subsequent to the first Occupancy Certificate

5 Use of Contribution Amounts by the Council

- (a) In respect of any Contribution Amounts that the Developer is required to pay in relation to the Albion Park Library and the Albion Park Bypass, the Council must only use or expend any Contribution Amounts for their identified purpose.
- (b) Subject to Council's compliance with **clause 5(a)** of this **Schedule 4**, any such Contribution Amount paid by the Developer to the Council may be pooled by the Council with any other Contribution Amounts paid by the Developer pursuant to this Deed and used or expended for any purpose within the Shellharbour Local Government Area.

6 Contributions Alternatives

6.1 Better Outcomes

Without limiting **clauses 6.2** or **6.3** of this **Schedule 4**, at the request of either the Council or the Developer and provided that the Council and the Developer agree, the Developer may satisfy any of its obligations to provide Contribution Works listed in this **Schedule 4** by providing contributions works of a different nature or at a different time to that specified in the Development Contribution Table, but which serve the same or similar purpose as those specified in the Development Contribution Table.

6.2 Alternatives to Contribution Works

- (a) At the request of either the Council or the Developer and provided that the Council and the Developer agree, the Developer may satisfy any of its obligations to provide Contribution Works by paying the Notional Value assigned to the respective Contribution Works as a Contribution Amount.

- (b) The Council agrees that if the Developer performs its obligations in this Deed by paying a Contribution Amount in lieu of providing Contribution Works, the Council must hold the Contribution Amount paid by the Developer for the purpose of the relevant Contribution Works and apply the money towards that purpose within a reasonable time of receipt of the relevant monetary contribution.
- (c) Where it is impractical (in reasonable circumstances) for the Council to comply with **clause 6.2(b)** of this **Schedule 4** and the Developer (acting reasonably) gives its written consent to the Council not complying with **clause 6.2(b)** of this **Schedule 4**, the Council must spend the Contribution Amount on services, infrastructure or facilities to be delivered, in order of precedence:
 - (i) on the Land; or
 - (ii) within the CUDP in a manner consented to in writing by the Developer; or
 - (iii) at a location outside the boundary of the Land but within the Council's Local Government Area in the manner consented to in writing by the Developer (acting reasonably),
 within a reasonable time of receipt of the relevant monetary contribution.
- (d) The Developer must give, or procure, reasonable access to the Council to that part of the Land upon which works are to be carried out by the Council for the purposes of carrying out the works contemplated by this **clause 6.2** of this **Schedule 4**.
- (e) For the avoidance of doubt, if the Developer, pursuant to this **clause 6.2** of this **Schedule 4**, pays the Notional Value of an item of Contribution Works in lieu of providing the Contribution Works, the Developer is not also required to pay the Notional Value assigned to any Contribution Land that must be provided to the Council in connection with the Contribution Works.

6.3 Alternatives to Payment of Contribution Amounts

- (a) At the request of either the Council or the Developer and provided that the Council and the Developer agree, the Developer may satisfy any of its obligations to pay a Contribution Amount by providing the works or services associated with the Contribution Amount as Contribution Works (or contribution works of a different nature to those specified in the Development Contribution Table, but which serve the same or similar purpose as those specified in the Development Contribution Table).
- (b) Any agreement contemplated by **clause 6.3(a)** of this **Schedule 4** must include agreement as to the time in which the Developer is to complete the relevant item of Contribution Works.
- (c) The Developer must carry out the Contribution Works contemplated by **clause 6.3(a)** of this **Schedule 4**.
- (d) The Council must give, or procure, access to the Developer to all land upon which works are to be carried out or services are to be provided by the Developer for the purposes of the Developer providing the Contribution Works contemplated by this **clause 6.3** of this **Schedule 4**.

6.4 Amendment to Deed

If in the opinion of the Council or the Developer (both acting reasonably) any agreement reached under **clause 7** of this **Schedule 4** constitutes a variation or amendment to this Deed to which section 7.5 of the Act applies, then the Parties must comply with section 7.5 of the Act in relation to that variation or amendment.

Schedule 5 – NOT USED

Schedule 6 – NOT USED

Schedule 7

Bank Guarantee (clause 6.1)

1 Bank Guarantee

Prior to the issue of a Subdivision Certificate that will create the final Allotment within the Development, the Developer must deliver a Bank Guarantee to Council in an amount determined in accordance with clause 2 of this Schedule 7 as security for the payment of the Contribution Amount payable to Council after the issue of that Subdivision Certificate.

2 Determining Bank Guarantee amount

For the purposes of this Schedule 7, the amount of the Bank Guarantee required to be provided under clause 1 of Schedule 7 will be determined by Council acting reasonably but in any event will not be more than 50% of the Contribution Amount required to be paid in accordance with clause 4 of Schedule 4 for the final stage of the Development.

3 Council may call on Bank Guarantee

(a) If the Developer:

(i) does not pay a Contribution Amount payable by it under the Planning Agreement;
or

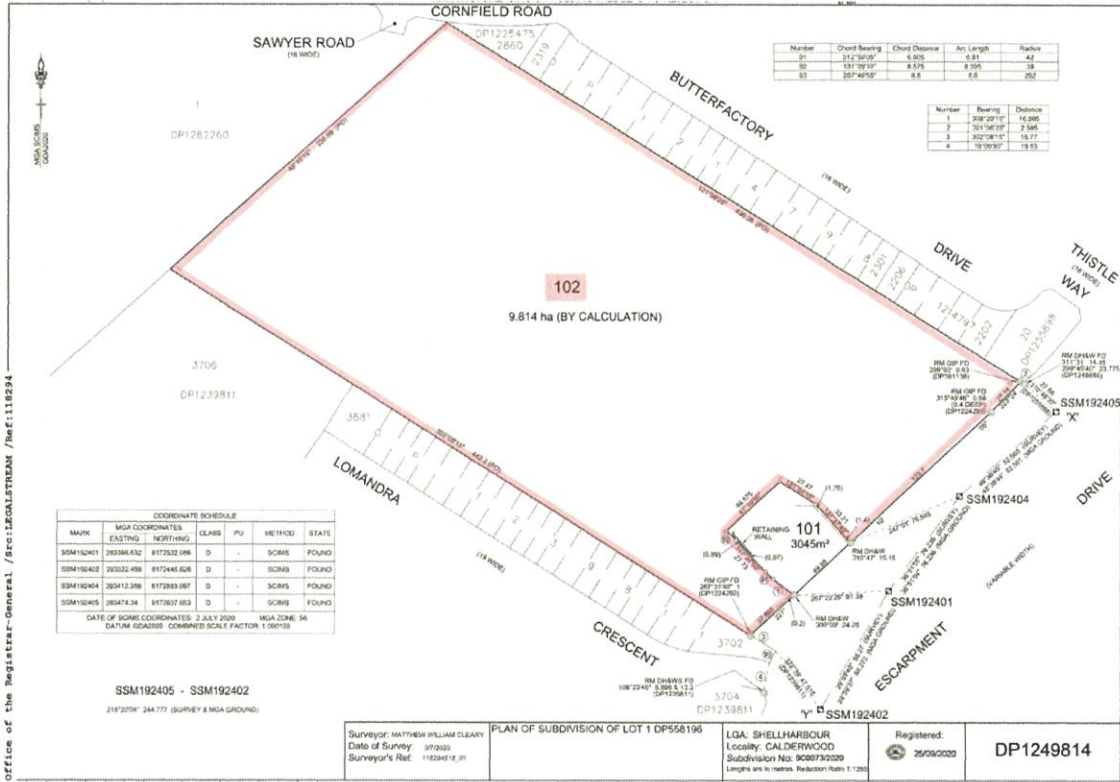

(ii) otherwise breaches the Planning Agreement.

then without limiting any other remedies available to it, Council may call on the Bank Guarantee provided by the Developer to meet any such requirement.

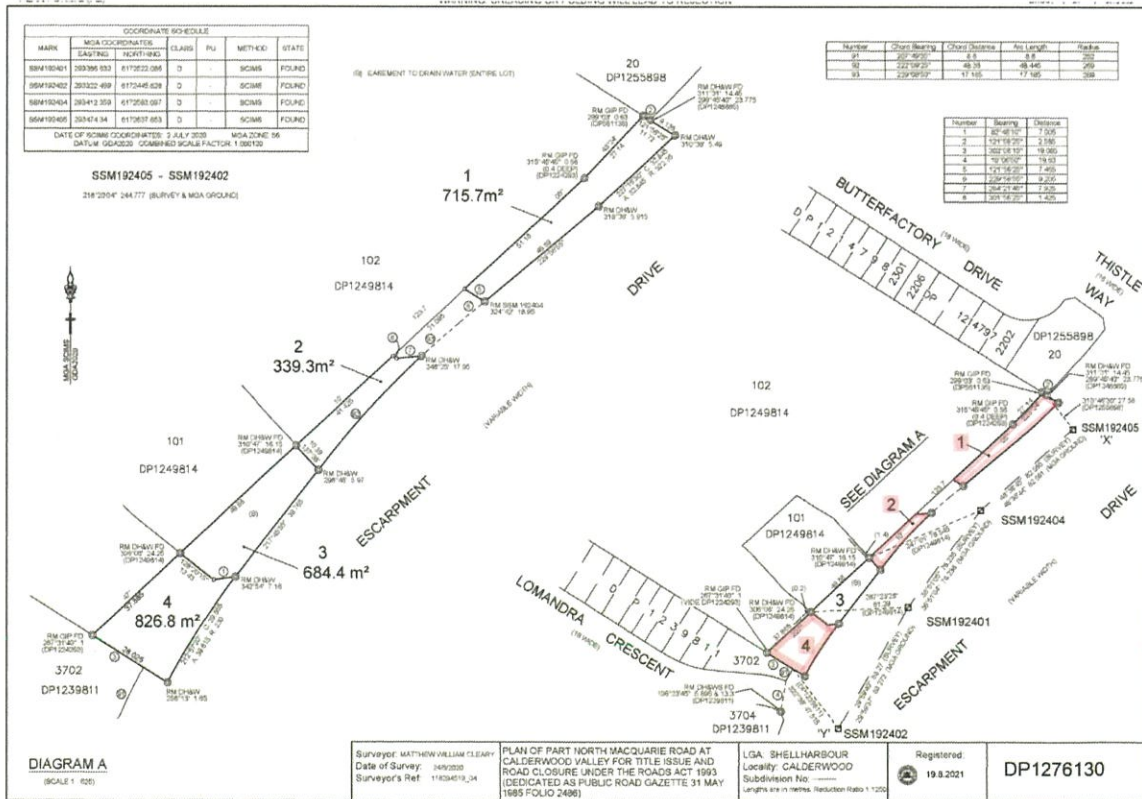

(b) If Council calls on the Bank Guarantee, Council, by notice in writing to the Developer, may require the Developer to provide a further or replacement Bank Guarantee in an amount that, when added to any unused portion of any Bank Guarantee then held by Council, does not exceed the amount of the Bank Guarantee Council is entitled to hold at that time under this **Schedule 7**.
