

Under the *Government Information (Public Access) Act 2009 (GIPA Act)*, a lot of information, known as open access information will generally be publicly available on our website unless there is an overriding public interest against disclosure or it would be unreasonably costly for us to publish the information on our website.

Please see below a list the open access information that is not on Council's website. You can apply to inspect this information by completing an Informal Request for Information form.

- Return of interests of councillors, designated persons and delegates  
Submissions received on development applications
- Leases and licences for use of public land classified as community land
- Orders given under Part 2 of Chapter 7 of the LGA
- Community Land Plans of Management
- Compulsory Acquisitions
